FREE-
FALLING
BODY
Da
Shujiang

Although it is a bit sudden, now I want to kill myself.
I won't tell you that I am killing myself because of a broken heart; it's too embarrassing.
leap of faith
Anyway, I want to jump, don't hold me back.
EH?

OH NO!
MY SUICIDE ATTEMPT HAS BEEN DISCOVERED.
AND THAT GUY IS GOING TO CATCH ME!
I WON'T DIE IF I AM CAUGHT ...
SO I MUST THINK UP SOMETHING. WHAT DO I HAVE ON ME?
A KNIFE!
GREAT.
I'LL MAKE A CUT!
THE BLOOD ADDS TO MY ACCELERATION
THIS WAY, EVEN IF YOU CATCH ME ...
EH?
wshoosh

I HAVE TO THINK OF SOMETHING ELSE TO INCREASE MY FALLING SPEED.
OH NO.
THAT IS SOMETHING I CAN'T DEFEND AGAINST...
AN EIDER-DOWN CUSHION!
RIGHT WHEN I WAS SMALL I LEARNED THAT THE GREATER THE LATITUDE THE GREATER THE FALLING SPEED.
DO YOU KIDS UNDERSTAND?
HA HA!
MY FALLING SPEED HAS INCREASED AGAIN!
EH?
NORTH
I AM IN THE NORTHERN HEMISPHERE SO I SHOULD GO FARTHER NORTH.

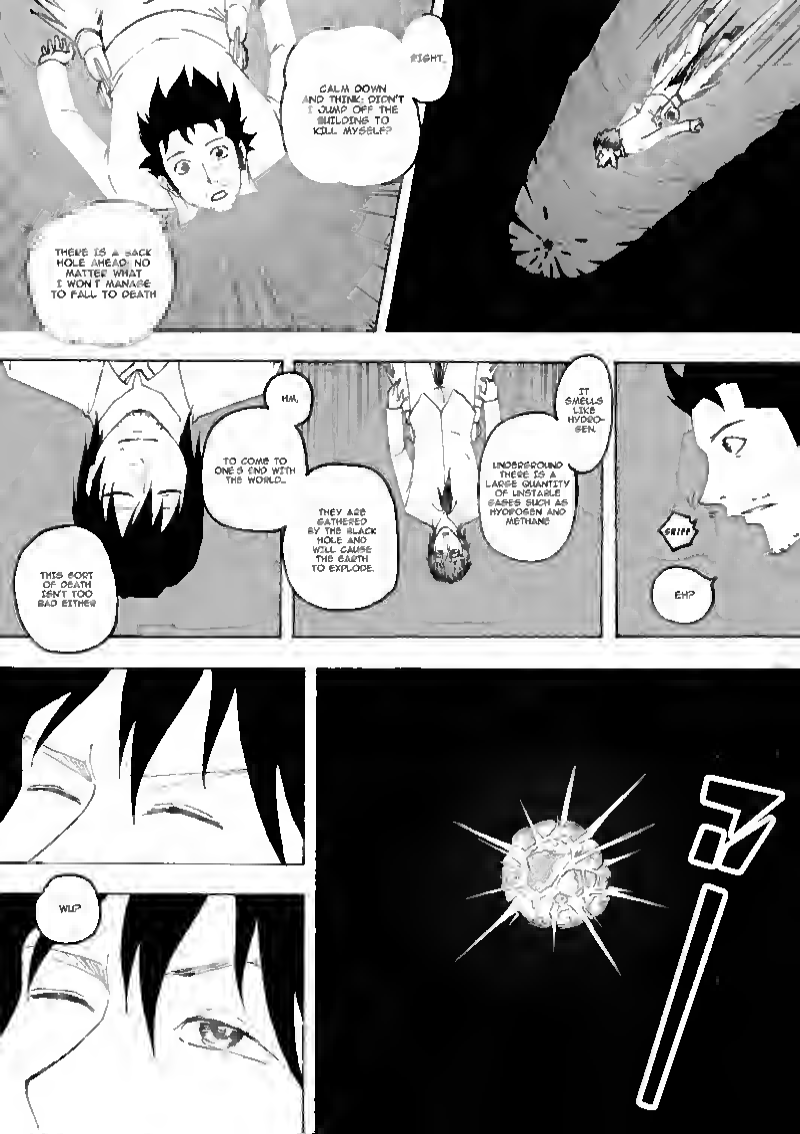
I NEED TO KEEP INCREASING MY SPEED!
HE IS SO DEAD SET ON SAVING ME ...
BASTARD!
A MOBILE TRAIN?! O-LIME!
FINISHER!
A TURBINE JET ENGINE?
HA HA HA! MY SPEED HAS ALREADY INCREASED UNBELIEVABLY ...
EH?
wshoosh

A GIANT JELLY!
AND STRAWBERRY FLAVORED!
OH NO ...
OH NO ...
OH NO ...
GET OUT OF MY WAY!
WHAAA!

HOW ABOUT THIS!
I NOW HAVE AN ENORMOUS WEIGHT! I WILL FLATTEN ANYTHING!
EHP

LET ME SHATTER YOUR ILLUSIONS!
HM. DOES HE WANT TO USE THE MARSH TO ABSORB MY FORCE?
HE ACTUALLY DUG OUT A MARSH!
HADRON COLLIDER!
ドゴ
COME OUT
NEXT IS TO WITNESS A MIRACULOUS MOMENT!

...
BLACK HOLE!
Ep = Ek→Mgh =
= (1/2)Mc^2→c^2 =
= 2gh = 2gm/h
BY DISREGARDING THE EFFECTS OF SPECIAL RELATIVITY, I CAN USE THE LAW OF CONSERVATION OF MASS TO PRODUCE THIS RESULT, I CAN NOW APPROACH THE SPEED OF LIGHT
THE SMALL BLACK HOLE FALLS UNDER THE EARTH'S PULL AND AT THE SAME TIME I FALL UNDER ITS PULL AND THE EARTH'S ADDING MORE SPEED
HA HA HA HA! THERE IS NO WAY OUT!
オー



THERE IS A BLACK HOLE AHEAD. NO MATTER WHAT I WON'T MANAGE TO FALL TO DEATH
CALM DOWN AND THINK. DIDN'T I JUMP OFF THE BUILDING TO KILL MYSELF?
RIGHT...
THIS SORT OF DEATH ISN'T TOO BAD EITHER
HM.
TO COME TO ONE'S END WITH THE WORLD...
THEY ARE GATHERED BY THE BLACK HOLE AND WILL CAUSE THE EARTH TO EXPLODE.
UNDERGROUND THERE IS A LARGE QUANTITY OF UNSTABLE GASES SUCH AS HYDROGEN AND METHANE
IT SMELLS LIKE HYDRO-GEN.
SNIFF
EH?
WIL?

I DON'T WANT YOU TO SAVE ME!
LET...
LET ME GO!
!
!
DO YOU THINK YOU HAVE WON!
THIS IS A VACUUM! I WILL SUFFOCATE AND DIE RIGHT AWAY!
ARTIFICIAL BREATHING
WHY ... WHY DO YOU GO SO FAR FOR ME?

THIS BIT OF LAND HAS OXYGEN AND WATER
WE COULD CONTINUE TO LIVE HERE.
LOOK, DIDN'T YOU DESTROY THE WORLD?
WHY?
NOW WE ARE THE LAST TWO PEOPLE REMAINING.
WHY DID YOU SAVE ME?
I SAVED YOU BECAUSE I THOUGHT THAT BEING BY MYSELF WOULD BE TOO LONELY
IT WASN'T FOR YOUR SAKE
WHO ...
WHO WOULD WANT TO LIVE WITH YOU!
